Name:_____ Date:_____ Hour:_____

SOURCE REVIEW # 1

REMINDER: Find 4 or more sources on your topic to include at least ONE PRIMARY source from website domains (.edu, .org, & .gov). List the relevant facts from each source. See CALENDAR for due dates for each Source Review due dates.

MLA Citation (use www.easybib.com or www.citationmachine.net)-*create and write down your citation exactly*

_____

_____

_____

_____

The main idea regarding the topic from this source is... obviously your topic, but what else?...

_____

_____

List facts from this source

Use **QUOTE MARKS** around **DIRECT, WORD FOR WORD QUOTES**. You do not need quote marks around ideas that you put into your own words *(you will still need to cite in your paper).* You can always have more than 7 facts.

1. Fact_____

   _____

2. Fact_____

   _____

3. Fact_____

   _____

4. Fact_____

   _____

5. Fact_____

   _____

6. Fact_____

   _____

7. Fact_____

   _____

!LIST MORE FACTS ON BACK AS NEEDED!

In conclusion, this source states what about the topic (the future of the invention, what replaced it, summary, ,etc)
