

The opposite of love is not hate, it is indifference-Elie Wiesel

You don't know where you're going until you know where you've been-unknown

Before you venture off to complete amazing things with your life. you are required to complete one last project-**The Senior Project**. This is a twofold senior project: group and individual. In a group, you will be researching a cause to support and presenting your findings to your classmates through a Power Point or Prezi presentation. As an individual, you will create a portfolio that has multiple components reflecting on various of aspects of your past, present, and future. In order to receive full credit, you must follow directions completely and finish both aspects of this project.

You will find various parts of this project attached and a calendar of due dates. All components are due on or before dates as stated on the calendar. Everything must be typed, except for the *Control Your Destiny*, *Begin With The End In Mind*, and *Timeline*. I have given you time with computers. If you are not working on an aspect of this project each day, you will be given an alternative assignment that will be due at the end of the hour. "I'm doing all my work at home" is not an acceptable answer. The grading rubrics are attached for your convenience. Please note points are elevated and, therefore, expectations are high.

This is designed to be a hands-on assignment and culminating activity. I will be available to assist you and help where needed. You are responsible for setting and meeting your goals and your group goals or your grade will suffer. I have set basic goals in the calendar to keep you moving along. For those of you who procrastinate, please ask me for help. Don't squander your valuable time. Remember, you need this class to graduate. Failure to complete this portfolio will put your graduation at risk. As of today, you have 13 days until your FIRST Final exam.

!!!THERE ARE NO LATE ASSIGNMENTS ACCEPTED!!!

USE YOUR TIME WISELY AND PLAN ACCORDINGLY!!

You will still receive weekly participation points (15).
Off task behavior will result in loss of points.
